

[illegible]

Politics is more difficult than
physics.

— *Albert Einstein* —

The science that studies the
supreme good for man is
politics.

~ Aristotle

AND POLITICS IS THE MASTER
SCIENCE AMONG ALL SCIENCES.

AIMS AND OBJECTIVES

1. To increase knowledge of the political science; theoretical frameworks and its applications, conceptual vocabulary and methods of inquiry and its interrelationships with the other social science fields, making it interdisciplinary.
2. To develop understanding of Indian political system and International System: concepts, foundations and its applications in present scenario.
3. To integrate college teaching and society by taking an active role in social and political institutions, and to discern pattern of behavior indicating democracy as a way of life such as accepting and valuing others.
4. To make students an active citizen and a good human being.
5. Empower and enhance the youth to be active contributors in nation building process.
